NOTICE TO SHAREHOLDERS

FRIDAY, NOVEMBER 14, 2025

The Company has adopted the asset revaluation method outlined in the 2024/2025 Audited Financial Statements. This revaluation exercise has been completed and will result in a significant positive change to the Company's stockholder equity. The updated figures will be published in December 2025.

We thank our financial partners for their support and our shareholders for continuing to stand with us through this season.
